Education

N.B.K.R Institute Of Science & Technology	Sep. 2022 – May 2026
B.tech in Computer Science and Engineering - 9.1/10 CGPA	Tirupathi, Andhra Pradesh
Narayana Junior College	June . 2020 – May 2022
Higher Secondary - 94%	Nellore, Andhra Pradesh
Little Angels School	J u n . 2018 – May 2019
Secondary - 10/10 G PA	Nellore, Andhra Pradesh

Relevant Coursework

- Data Structures
- Computer Networks
- Algorithms Analysis
- Database Management
- Critical Thinking
- Software Methodology
- Data Analytics
- Operating System

Experience

Nexus Logic Technologies

Java Developer Intern   Remote
- Designed and developed an Inventory Management System using Java, SQL, JDBC.
- Developed the backend using MYSQL Database and JDBC to handle the CRUD operations.
- Connected the backend to a MySQL database using JDBC enabling faster retrievals and included the Prepared Statements to prevent SQL Injection attacks.
- Developed the project using Incremental model to take the feedback from the users and to add the new features, ensuring robust and smooth deployment through close collaboration.

Projects

Online Banking System| Java ,SQL, JDBC, MYSQL   Nov 2024
- Built an Online Banking System to perform the basic operations.
- This project ensures ACID Properties of Database using Transaction Handling to prevent data corruption .
- Allows users to effortlessly access their accounts and to transfer their funds to other accounts.

Online Hospital Management System| Java, JDBC, SQL, MYSQL   Dec 2024
- Developed an Hospital Management to add, update, delete, and manage patients seamlessly
- Implemented a exclusive privilege to DBA to add, delete and schedule the appointments of doctors.   May 2024

Responsive GYM Website| HTML, CSS, Javascript
- Created an engaging website for users to view the entire gym infrastructure and trainers.
- Designed a Query Section where the new users can post their queries or can get in touch.

Online Examination System |Core Java   Sep 2024
- Developed an Online Examination System for School and University Level Examinations.
- Utilized Core java Concepts like Map to store Student Details and login History, used Random Module to Fix t

Technical Skills

Languages: Java, C, Python, JDBC, SQL
Developer Tools: VS Code, Intellij, Git, GitHub
Technologies/Frameworks: HTML/CSS, JavaScript, Spring Boot.

Achievements

∗Organised JAVASPRING 2K24 One Day Workshop on Huge Scale level apps using Spring Boot and Spring By IEEE SB at NBKRIST

∗ I was the Team Leader of JAVA Programming Group Of IEEE SB NBKIRST

∗ Solved Over 200 Coding Questions and attained a peak contest rating of 2888 on CodingNinjas, showcasing proficiency and excellence in competitive programming.

∗ Completed MOOC Courses On C Programming and Ethical Hacking by NPTEL Strengthening my Programming and networks knowledge

∗ Certified Intermediate Core Java developer by Udemy .
